THE CENTER FOR AMERICAN ART

Salmagundi!

Welcome you to its 1987 Spring Auction Series, a tradition of the Club since the early 1900's. Paintings with our Club's auction labels on the back frequently turn up at estate and auction sales throughout the United States and are purchased in the thousands of dollars. It is our belief that our auctions today are your best source of fine art at prices far lower than their real potential value. We respectfully request that you also consider that each artist who submits to this auction is doing a great service to Salmagundi by his donation of 50% of the auction bid. This is a major source of the Club's income, which enable's us to continue to bring you art of this caliber for prices you, the buyer sets. Salmagundi was founded 115 years ago, making it the oldest professional art organization in America. There are many activities at the Club during the year and art classes are conducted for both beginners and advanced students on a non-profit basis. Watch for special public service events throughout the year and enjoy the many art-related activities offered in this lovely Victorian building which has been designated an historic landmark by the New York City, New York State and Federal governments. Start your collection of American Art right here at the Center of American Art since 1871.

Visitors are welcome; membership by artists and lay people interested in the arts is encouraged. If you desire announcements of all our art exhibits and public functions, please leave your name and address with an attendant.

ACTIONEERS: Sidney Hermet, Edward Brennan, Joseph Rossi, Jon Prusmack, Robert Volpe
